Subject: Pebble Mine Statement
Importance: High

OPA—yesterday the Administrator had a phone call with Senators Murkowski and Sullivan regarding Pebble Mine. As this continues to play out, Senator Murkowski mentioned that she sent the Admin (waiting to receive an electronic copy) a packet of input from stakeholders on Pebble Mine.

The Administrator offered to issue a statement that he received the packet and the voices have been heard, which the Senators would like him to do.

Ex. 5 - Deliberative Process
